

विद्यापीठ गीत

या भारतात बंधुभाव नित्य वसू दे ।
दे वरचि असा दे ।
हे सर्व पंथ संप्रदाय एक दिसू दे,
मतभेद नसू दे ॥१॥
नांदोत सुखे गरिब-अभिर एक मतानी ।
मग हिंदू असो ख्रिश्चन, वा हो इस्लामी ।
स्वातंत्र्यसुखा या सकलांमाजि वसू दे ।
दे वरचि असा दे ॥२॥
सकलांस कळो मानवता, राष्ट्रभावना
हो सर्वस्थळी मिळूनि समुदाय-प्रार्थना ।
उद्योगि तरुण वीर शीलवान दिसू दे ।
दे वरचि असा दे ॥३॥

हा जातिभाव विसरुनिया एक हो अम्ही ।
अस्पृश्यता समूळ नष्ट हो जगातुनी ।
खळ निंदका मनीहि सत्य न्याय वसू दे ।
दे वरचि असा दे ॥४॥
सौंदर्य रमो घर - घरात स्वर्गी ज्यापरी ।
ही नष्ट होऊ दे विपत्ति भीती बोहरी ।
तुकड्यास सदा सर्वदा सेवेत कसू दे ॥
दे वरचि असा दे ॥५॥

- राष्ट्रसंत तुकडोजी महाराज

PROSPECTUS

CHAIRMAN'S MESSAGE

Shri. Madhukarrao Mahakalkar

Education strengthens the inherent sustenance power of an individual. Technology has revolutionized the growth and development of the modern world and the only way to keep up with this pace of advance is through education. The present era offers opportunities to those who are equipped to cope with future challenges, at an accelerating pace of change.

For a successful career, as an teacher, one must learn the nuances of the trade; do things timely, effectively and economically. I take pride and pleasure in extending my unwavering support to the success and overall development of each student.

Shri. Sanjay M. Mahakalkar

SECRETARY MESSAGE

Suyash College of Education, Nagpur is Established in 2005. Our mission is to empower teachers in the field of education, Some of the earmarked educational foundations are, our faculty, modern facilities campus, career guidance, personal attention and all round development. I wish every students bright future.

PRINCIPAL'S ADDRESS

Education is not the answer to the question. Education is the means to the answer to all questions. An education isn't how much you have committed to memory, or even how much you know. It's being able to differentiate between what you know and what you don't.

The purpose of education is to replace an empty mind with an open one. Because a mind once stretched by a new idea never regains it's original dimension. However, knowledge is of no value unless it is put into practice. We, at Suyash College of Education, Strive to impart education supported by quality and value addition. All this is done with close interaction with teaching jobs in school and colleges, which greatly benefits the students to increase their employment opportunities. I wish you all the very best in your path to success.

Dr. Kalpana P. Kapse

Imparting quality education and learning through this temple of excellence, so as to learn what is known and to discover the unknown with a dedication to serve mankind at large.

Library:-

A library is an organized collection of books, other printed materials, and in some cases special materials such as manuscripts, films and other sources of information. Collections can be print, audio, or visual materials, including maps, prints, documents, microform (e.g. microfilm/microfiche), CDs, cassettes, videotapes, DVDs, video games, e-books, audio books and many other types of electronic resources. The places where this material is stored include public libraries, subscription libraries, and private libraries; material can also be in digital form, stored on computers or accessible over the Internet. Libraries range in size from a few shelves of books in a small organization's library to collections of several million items in the larger national and academic libraries.

We are having well furnished computerized library. In our library we are having near about 5000 books of all the mediums i.e. Marathi, Hindi & English of renowned writers. We are also having nationally and internationally published Journals. Even we call newspaper from various presses of all the three languages. Library is the heart of our institute.

Playground :-

We are having a huge playground for performing all the co-curricular activities. We provide various playing kits and sports articles for their physical development and growth. As sports activities are also a part of teacher education course.

Teaching Staff :-

We are having a well qualified University Approved Teaching Staff for the courses conducted by the college. All of our teaching staff are well trained and well educated to guide the students.

Annual Gathering :-

A very well arranged Annual Gathering Function is organized. It gives the opportunity to the students to present their extra qualities in front of others. Well organized drama, well choreographed dance and well set songs are presented in front of our special chief guest.

Eligibility for Admission :-

For B.Ed. :-

Graduates from any faculty are liable for admission in B.Ed.

- Percentage in Graduation for admission in open category is 50% and above.
- For OBC, SC, ST & VJ-NT it is 45% and above.
- Caste or Category of the students will only be considered when the eligible candidate will
- produce their Non-Creamy Layer and Caste Validity.

Bachelor Of Education (B.Ed.) :-

The government of India has realized the importance of educating the children in order to make way for a more aware youth that will contribute towards the progress of the nation. This is the source of the huge demand for teachers today. Also known as B.Ed., the Degree in teacher education is a course that lasts for about two years. The Degree in Education can be pursued after completion of the Graduation examinations and it would enable the students to apply for teaching posts in primary schools. The course provides knowledge regarding a number of aspects of education like language, education policy, literacy, curriculum and information technology. As far as the eligibility of this course is concerned, the students need to have passed their Graduation examinations from a recognized University.

Institute also runs the course of B..Ed. It is in Marathi Medium. B.Ed. is a two year course. Our college is well known for its distinctive method of teaching. We teach according to the pace of student. We are well known for our well organized and systematic camp. Guest lecturers are organized time to time as per the requirement for the betterment of the students. Experts are invited for work experience, sports and first aid.

Entrance examination for B.Ed :- The states of Maharashtra, As far as Maharashtra is concerned, the examination is known as the B.Ed Common Entrance Test.

Facilities:-

Understanding the importance of Education for the betterment of the Society and Nation We are trying to provide our students the best of the facilities. As affiliated to R.T.M. Nagpur University and approved by NCTE, we provide the best of Computer Facility, Internet Facility, Transport Facility. We also have well furnished Psychology Lab, Work Experience Lab, Education Technology Lab, Seminar Room, Auditorium Hall, Science Lab, Language Laboratory, Learning Resource Centre Room, Music Room, Girls Common Room, Curriculum Lab and Store Room et

SUYASH COLLEGE OF EDUCATION

Suyash College of Education run by Ajay Bahhuddeshiya Sewa Mandal, Nagpur is in the education field for last 14 years. Association works for the social, intellectual, cultural, physical and educational benefit of the students taking admission here.

As the word 'Education' means - "to draw out", the mandal aims to create the students, capable of drawing out the latent (dormant) talent of the learners and enhance their abilities. Our institution provides students the best quality education.

The complete physical as well as infrastructural facilities are as per the norms prescribed by the affiliating body to make our institution best in quality education.

We have a futuristic plan to move ahead to build the nation by training the students & giving them brief knowledge of various subjects.

We all know that teachers are the professionals on whose shoulders their lies the responsibility of training the students who are the building blocks of Nation. Students are well trained to become future teachers in our college.

Teaching is among one of the noble professions in India. Behind every doctor, engineer, lawyer lies the hard work of a teacher, who grooms them during their academic career, to excel in the profession chosen by them. Teachers not only impart quality education to the students, but also inculcate moral values, sense of a responsible citizen and a good human being. In order to become a proficient teacher, formal education and training is required.

Courses run by Suyash College of Education :-

1) Bachelor of Education (B.Ed.)

Bachelor of Education (B.Ed.) :-

Our institute runs course of Bachelor of Education. Bachelor of Education(B.Ed) is a course offered for those interested in pursuing career in teaching. The B.Ed degree is mandatory for teaching in higher primary schools and high schools. The minimum qualification required for entry into B.Ed. course is Bachelor of Arts(B.A.), Bachelor of Science (B.Sc.)or Bachelor of Commerce (B.Com). While students from arts stream are trained to teach subjects like History, Civics, Geography and languages. The students from science stream are trained to teach Mathematics, Physics, Chemistry and Bbiology. After B.Ed., students can pursue Master in Education (M.Ed.) in Indian universities. National Council for Teacher Education is statutory body which regulates courses in teaching. Our college is unique and one of the premier college in Nagpur city running all the 15 methods of B.Ed. course and all the Elective Methods.

We apply the method of computer assisted teaching while taking the lectures. Most modern methods of teaching are taught for all the methods. Guest lecturers are organized from time to time for the betterment of students.
